

# Easy Pay Plus for Security

Migrating to Cisco® Next-Generation Firewall (NGFW), the industry's first-and-only threat centric firewall, is convenient with Cisco Capital® financing.

With Cisco Capital financing, it's easier to fund your Cisco NGFW whether migrating from legacy equipment or choosing a new solution and services.

Cisco Firepower 4100 Series, Firepower 8300 Series and Firepower 9300 Series, ASA platforms with Firepower Threat Defense, ASA with FirePOWER™ Services, and ASA will provide you with superior security protection.

Most NGFWs reduce risks by giving access control over only applications and users. These firewalls don't eliminate threats, because attackers can still exploit open web connections and approved applications.

With Cisco NGFWs you receive technology that:

- Provides deep visibility into and across your network
- Applies intelligent automation to identify threats
- Adapts protection to your dynamic network environment
- Quickly scopes and recovers from attacks to minimize damage

Cisco Capital has made financing simpler so you can upgrade to the latest Cisco NGFW today and protect your high-value digital assets.

With the Cisco Capital Easy Pay Plus for Security offer, you pay 90% of the purchase price over 36 months at 0% financing.

This financing offer makes it easier to acquire the following NGFW's:

- Cisco ASA with FirePOWER™ Services
- ASA platforms with Firepower Threat Defense
- Firepower 8300 Series
- Firepower 9300 Series
- Firepower 4100 Series

## How the Offer Works

### Network Security with 0% Financing & Better than Cash

#### Easy Pay Plus for Security
