

Financing Your Cisco Tetration Analytics Platform

Bring new levels of visibility to your data center – every packet, every flow, every speed.

With Cisco Capital® financing, it's easier to fund your Cisco® Tetration Analytics™ platform, so you can have complete visibility across everything in your data center in real time.

The Cisco Tetration Analytics platform is unlike any other in the industry. With the pervasive visibility across your data center, you'll receive a deep understanding of application dependencies and interactions that solve a wide range of application mobility, security and operations challenges.

This platform brings together unsupervised machine learning architecture, deep instrumentation and big data algorithms to deliver immediate operational benefits – that previously took months for analytics experts to figure out or were simply impossible.

Cisco Capital financing makes it convenient to purchase Cisco Tetration.

How Financing Cisco Tetration Works

Cisco Capital payment solutions offer convenient payments that lower your costs against budget constraints while providing you with the following:

- Competitive pricing, which can help you reduce your TCO (total cost of ownership) by 15-20%.
- Access to the latest Cisco Tetration technology, and refresh to the next generation at the end of the lease term.
- Alternate financing structures, such as a deferral of payments or step payments.
- The flexibility to acquire hardware, software, and services or acquire only the hardware, all in one predictable payment.

Benefit from these unique customer incentives

- **Alternative source of funds:** Use our money instead of yours, which frees up funds to work harder for your business.
- **Preserve cash:** Spread costs over time, preserve credit, and avoid a large cash investment.
- **One solution with predictable payments:** Support the technology needs of your business on your own terms and timeframe.
- **Lower costs:** Benefit from competitive rates and residual values to reduce TCO and accelerate ROI.
- **Equipment lifecycle management:** Help manage costs, meet business demands, and avoid obsolescence with flexible migration options and simplified equipment disposal.
- **Payment options:** Extend your investment protection with the right payment schedule, term duration, and end-of-lease options.

Strategic approach to your investment

With Cisco Capital financing, your investment can be viewed not as a cost but as an opportunity to add operational value and deliver against your evolving organizational imperatives.
